

## **Carpet Bowling**

Carpet Bowling is played every Friday from 1pm to 3 pm. No experience is necessary. It can be a little noisy, is lots of fun and good exercise. The Danube Centre has two bowling carpets. Each carpet provides room for a maximum of 12 players. We haven't used the second carpet in a long time. We really would like to have more players so we can use it. Come out and join us for a fun game, or just come out, have a coffee and watch us. Hope to see you

soon.

**P.S. You do not need special bowling shoes.**
