

THE VARGA GROUP OF ARTISTS

After the untimely death of Mr. Varga, a well-known Bradford Artist, some of his Students decided to form their own group of artists to carry on his work. They took a space in the St Mary's Hall until it was needed for a youth group.

The group was fortunately offered working space at the Danube Seniors Leisure Centre.

The Varga Group meet every Saturday morning during the winter on a casual basis, there is no fixed teaching everyone does their own thing in their own medium.

Generally we paint, yack & drink coffee, not necessarily in that order.

We would be happy to welcome anyone who would like to join us.
